

**AL GHAIL MARINE
EQUIPMENT TRADING LLC**

INTRODUCTION

We would like to take this opportunity to introduce AL GHAIL MARINE EQUIPMENT TRADING. L.L.C a leading marine, oil field safety & firefighting equipment suppliers based in Sharjah, U.A.E. Encouraged by the appreciation and satisfaction of our customers we endeavored to expand our business by trading operations related to the aforesaid field. Now we import and stock a wide range of marine safety, survival and firefighting equipment from around the world to cater to our customers.

The organization which follows the dictum "high priority to the safe guarding of human life and property" to the letter has extended its business relations to a host of overseas manufacturers of marine safety equipment. Consequently today it boasts of an enviable range of product items. The hard work put in building up an array of product items and providing quality servicing have paid off. Today the organization can proudly lay claim to the fact that all major international marine operators, ship chandlers and shipbuilders operating in U.A.E. are its customers. The very fact that numerous customers have been with us from the inception is a loud testimony of their confidence and satisfaction. The number of customers has been increasing all along the way fuelling the organization's growth.

Please find attached herewith the list of some products which we are dealing with. We are confident that AL GHAIL MARINE will be a suitable supplier for you throughout the coming days. If you have any enquiries, please don't hesitate to contact us at any time.
